

TRISTAN GOLD

Cape Town | Hout Bay

063 659 2099 | tristan.gold2004@outlook.com

Website: <https://tristan.github.io/>

Logical and passion driven. Enthralled in computers and the technology around us. At 21 years old, I own a car, driver's license and am close to completing my tertiary education. Always eager to learn and improve. Enjoy working with others to learn from.

EXPERIENCE

PROGRAMMING TUTOR

Vega School (Emeris) | De Waterkant | Jana Santilhano (jsantilhano@vegaschool.com)

FEBRUARY 2025 – OCTOBER 2025

Worked part time at Vega as a 1st and 2nd year tutor for programming (C# and C++) in the game development and design course.
